## UPDATE! KYAE October Challenge

### OCTOBER CHALLENGE UPDATE

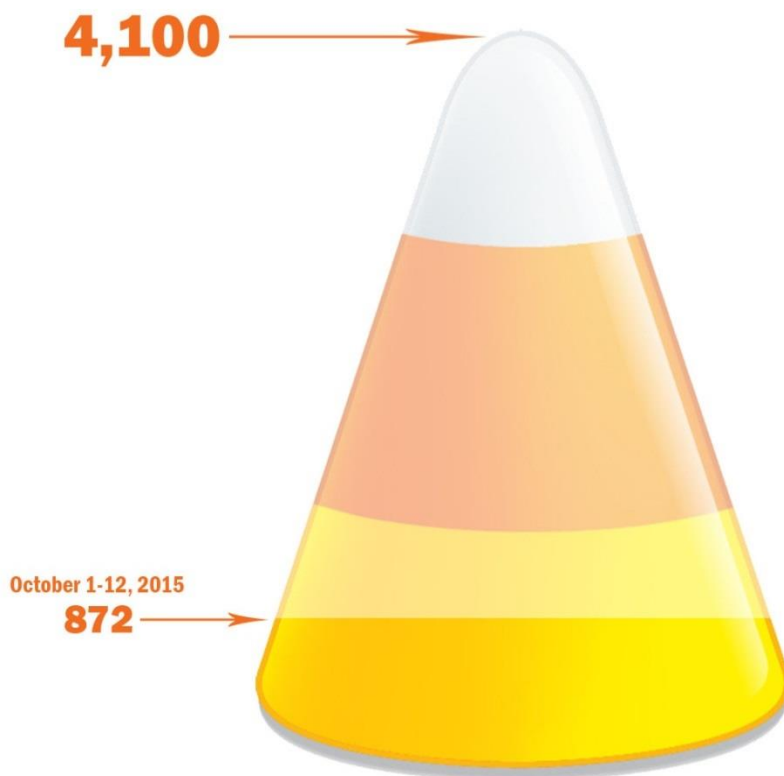

On October 2, we sent out an e-mail challenging programs to administer 4,100 GED Ready™ tests by October 31 – in an effort to help reach our statewide GED® diploma goal of 4,100.

Here is where we are thus far ...

**Between October 1 and 12, 876 GED Ready™ tests were administered – or 21% of our goal for the month.**

Good job thus far – but let's keep that number moving higher and higher!

**For tips on helping you increase your numbers**, you may want to review the document sent out October 2, available by clicking [here](#).

GED® test, helping them move toward *their* goals as your program moves closer to earning a chance to participate in the [TOP 5 to Texas \(plus one!\)](#) promotion?!

And, as shared yesterday, the **top 5 programs in GED® attainment** (as determined by the top 25) at the end of the 2015 calendar year will receive up to \$4,500 each for three instructors to attend the 2016 COABE conference in Dallas, Texas. **Additionally, one other program in the top 25 in GED® attainment** will be selected from a hat to receive the same award.

Meeting large goals can be TRICK-y, but we've gotten close before – with 3,900 GED Ready™ tests being administered in both October 2014 and April 2015 – so it's do-able!

And won't it be a TREAT to increase your number of students taking the

COABE Conference | Dallas, Texas | April 2016
